Admission Policy

Notice of School Student Non-Discriminatory Policy

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

Please Read Before Completing The Application Forms

San José Sánchez Del Río Catholic School is a parochial school of Our Lady of Good Counsel Catholic Church. All applications for admission will be time stamped in the order received. Families applying for admission will be considered in the order their applications are received. Admission to San José Sánchez Del Río Catholic School is dependent upon a family meeting the Admissions Requirements of the school as stated in the Parent & Student Handbook. These requirements include but are not limited to the following:

- **Families must be willing that their children learn about the Catholic Faith and attend Mass daily, and be supportive of their participation in Faith-based activities.**
- **Families must be willing and able to participate in their child's education by giving of their time, talent and treasure.**
- **Families must be able to cover tuition costs for their child as determined by the Tuition Schedule located on the SJS DR Catholic School Tuition Fees Policies & Contract.**
- **Families must be willing to abide by all San José Sánchez Del Río Catholic School Policies.**

Both the family and the school are committed to fostering the educational, spiritual and moral development of the student. This requires a cooperative, collaborative relationship between the school and the family. In the event that this cooperative, collaborative relationship between the school and the family becomes broken, it may be necessary, in the sole discretion of the school Directress, to dis-enroll the student from the school. This would not be considered a disciplinary measure. In that event, the family shall have no further monetary obligations to the school under this contract from the date of the dis-enrollment forward.

Age Requirement for Kindergarten Enrollment: The state of California requires a child to be 5 years of age by September 1st in order to enter a regular kindergarten class. SJS DR Catholic School will be using this date as a guideline as well. However, we feel that there are many indicators of readiness besides the date of birth. Please call the school if you have questions about this.
